Justification for Resolution #680
Amending Bylaws Section 4, Organization and
Section 5, Administrative Sub-Council

ACTION: Amend Sections 4 and Section 5 of the Grays Harbor Council of Governments Bylaws.

JUSTIFICATION: It has become increasingly more difficult to maintain a five-member Administrative Sub-Council due to time restraints on the behalf of Full Council Members and turnover of elected officials. The Full Council consists of 15 members with a consistent attendance of between 8 to 10 members. The current size of the Administrative Sub-Council is technically one third to almost one half of the attending membership. Reducing the size of the Administrative Sub-Council to a three-person council will enable more success in filling and maintaining sub-council positions. It will also make it easier for staff to obtain approvals and signatures needed for the day-to-day operations of the Agency.

RECOMMENDATION: Strike and replace existing sections.
